Swami Darshanand Gurukul (Gurukul Mahavidyalaya, Jwalapur) was established in Vikram Samvat 1964 (1907) on the holy land of Haridwar in the holy company of Mother Ganga by Swami Darshanand Ji Maharaj, a paragon of logic, an unparalleled master of Shastrartha, and a towering luminary in the realm of philosophy, with his revered karakamalas.

At present, the Gurukul operates under the divine benediction and sagacious guidance of the esteemed Yoga Rishi Swami Ramdev Ji Maharaj and Ayurveda Shironmani Acharya Balkrishna Ji Maharaj. Since 2023, it has been meticulously administered through the Vedic Education and Research Institute under the overarching aegis of Patanjali Yogpeeth. It is a residential educational institution, where education is provided from class 6th to class 12th. Along with modern subjects, there is a beautiful system of studying Vedas, philosophy, Upanishads, Shrimad Bhagavad Gita, Panchopadesh etc. which are representative of the Sanatan Vedic tradition. We have full faith that the students proficient in this education system will play a leading role in the reconstruction and revival of India.
